Taiko-Honpo KABURAYA

KABURAYA was formed in 1997 at Hiroshima in Japan.

They give performances to use the Japanese drums, the Japanese flute, traditional dance and songs. KABURAYA has an extensive repertoire of performances, everything from traditional songs to original songs. Their performance has combined sensitivity and dynamism. They gain a high reputation from home and overseas. Hiroshima prefecture, their home field, is rich in Japanese traditional performing arts. These has good old atmosphere of Japan and are loved by the people.

Hiroshima prefecture is known internationally as bombed area. The people of Hiroshima overcame the sadness and reconstructed the affected area. KABURAYA take pride in them and hand down through generations as KABURAYA's massage. KABURAYA carry a wish for peace with traditional sounds to all over the world.
